Laptops with webcam capabilities and high-speed internet are required for all programs at the main campus. Students may rent laptops through the school bookstore or purchase a comparable device through unaffiliated vendors such as BestBuy or Amazon. Please see the admissions department for the most up-to-date specification requirements.

Indirect costs include items such as transportation, room and board, and personal expenses. Additional fees only apply where needed.

TERMS OF PAYMENT

Tuition and fees are due the first day of class. If the student has sufficient financial aid in place, payment is deferred pending receipt of aid. A payment program exists for students who are ineligible for financial aid or who do not receive sufficient financial aid funds to cover their entire educational costs. A one-year, interest free payment schedule may be arranged.

Main Campus Schedule Notes

****PLEASE NOTE** All schedules are subject to change, based on state, local, and national guidelines and recommendations due to COVID-19. The safety of our students, employees, and community is our priority. Lab classes may be extended and externship may be delayed due to COVID-19 restrictions, which would delay completion dates.

Days and times are shown for the first quarter only; subsequent quarter schedules vary. In a hybrid delivery program, each quarter may include both residential courses taught at the campus and online courses through synchronous and asynchronous delivery. Daily schedules for externship and clinical rotations will vary based on the requirements of the hospital or clinical site.

Prerequisite Courses are taught through asynchronous online delivery. Prerequisite courses are not accredited and are to be used for prerequisite coursework for Diagnostic Medical Sonographer applicants who do not otherwise meet the academic requirements for acceptance.
